The School Day & School Premises

The School Day

School begins at 8.50am with registration and ends at 3.10pm for Reception to Year 2 and at 3.15pm for Year 3 up to Year 6. It is important to arrive on time so that your child settles into their day alongside the rest of the children in their class. If on the odd occasion you are late due to a medical appointment or other circumstances your child will need to be brought to the school office to be signed in.

Office

Our school office is open from 8am until 5pm Monday to Friday. Office staff members are Mrs Manton, Mrs Eastland and Mrs Friend (Monday to Thursday) and Mrs Friend, Mrs Eastland and Mrs Horsley (Friday) – they are always very happy to help you with any queries so please feel that you can speak to them about both general matters and issues of a more sensitive nature, which can be passed on to your child’s class teacher. All matters are dealt with in a confidential manner.

Communication: Correspondence including general information, newsletters, letters and PTA information, is sent out by e-mail. You will be sent a text to inform you of any correspondence that has been forwarded to you. Copies of all our correspondence are also available from the school office or the document holders in the school foyer.

Please always ensure we have accurate and up to date contact numbers and e-mails at all times.

You can browse our website (www.st-michaels-lichfield.staffs.sch.uk) for more school information i.e., policies, and at a later date you will be given passwords for access to our Learning Platform (more information to follow in September).

Pedestrian Access

We operate an electronic gate system. The gate on Cherry Orchard will be open from 7.30am until 9.00am and from 3.00pm until 3.30pm. To ease congestion also, the Sturgeons Hill Entrance will be open from 8.30am until 9.00am and from 3.00pm until 3.30pm.

Car Park

The car park is for staff and visitors to the school ONLY. The car park gate is operated electronically. Access is via intercom only. Please speak to a member of the office if you need to request to use the car park for special circumstances, such as collecting a sick child or if you or your child has difficulty with mobility/disability.
Animals/Pets
Animals/pets are NOT allowed on the school premises at any time either on foot or in arms.

School Uniform and PE/Games Kits

Pupils at St Michael’s wear their uniform with pride. Wearing a uniform is an important part of the standards we strive to achieve both in terms of representing our school and for the purposes of safety. All children are encouraged to wear uniform from Reception through to Year 6, it can be purchased from Uniform Plus in Lichfield.

Uniform - Day wear
- Royal blue sweatshirt, sweater or cardigan
- White shirt or polo shirt
- Grey trousers or shorts (boys)
- Grey skirt, pinafore or trousers (girls)
- School tie (optional)
- Blue and white striped/checked summer dress
- Sensible footwear is encouraged (no trainers or boots)
- Summer footwear: ‘sensible’ rather than ‘fashion’ sandals are suitable; these must be flat sturdy sandals with straps that support around the ankle and over the foot. No sling back straps, no mule style and no flip flops.
- Modesty ‘traditions’ for religious reasons: head coverings should be royal blue, white, black or grey. Leggings and long sleeve t shirts can be worn for PE and games.

Sun hats, pump bags and book bags embroidered with the school logo can also be purchased from the school office.

Jewellery
We prefer children NOT to wear jewellery at school for safety reasons. Watches are permitted but should be removed for all PE activities. Children with pierced ears may wear small, plain studs (not hoops/sleepers) but these must be either removed or taped over for all PE activities.

Indoor PE
- Drawstring bag (available with logo from school)
- Navy blue shorts
- Plain white T-shirt
- Girls may wear a leotard if they wish
- Black plimsoles
Outdoor Games

- A tracksuit or sweatshirt and joggers
- Trainers - we would like children to wear trainers (NOT football boots) during outdoor games. We don’t actually play football as such during outdoor games however we do practice the skills of the game eg., dribbling. Therefore there is no necessity for children to wear boots. However, if children are part of an after school football club, boots can be worn with shin pads.

Swimming (KS2 children)

- Swimming bag
- Towel
- Swimsuit or trunks (not baggy shorts)
- Swimming hat (girls and boys) – compulsory
- Goggles can be worn with written permission

Medicines/Illness

Medicines in School

Please be aware that no one within school is able to administer medicine to children. This includes Calpol and antibiotics. If your child requires medication during the day (either prescribed or not) you, or another responsible adult on your behalf can come to school to give the required medicine.

If your child has a medical condition e.g. asthma, anaphylaxis please let us know as soon as possible so that we can make an appointment with you to discuss the medical protocols and procedures. In order to keep your child safe and well we will ask you to sign a consent form to agree the administration of the required emergency medication.

Illness

If your child has been sick, vomiting or had diarrhoea please keep them at home for 48 hours after the last attack. Sickness bugs particularly can spread very quickly within schools.

We would appreciate it if you could phone school if your child is unable to attend. You can leave a message on the school’s answerphone or you can speak to a member of the office. Please give the reason for your child’s absence ie., sickness, cold, sore throat, dentist, doctor, etc. and how long you anticipate their absence to be. Each morning after registration we check the whereabouts of any absent children (for their safety) so if we’re not aware of a child’s reason for absence we’ll phone home to ensure they’re in safe hands.

If your child becomes ill at school we make every effort to contact you (the parent) first but if we cannot we will continue down the list of your emergency contact numbers so that your child can be taken home.
To report illness please phone 01543 510778 (School).

Electronic Media/Images

Mobile Phones
Children are not permitted to have mobile phones in school. In the few circumstances when children are permitted to bring mobile phones into school (for example if parents wish their children to walk to and from school alone) they must be handed in to the office and signed in and out at the beginning and end of the school day. At NO time should children have mobiles on their person during the school day.

Social Media
Social networking sites such as ‘Facebook’ are widely used and enjoyed by the majority of parents and older children. However, sometimes these sites are used to publicly discuss matters which may include personal disagreements between pupils at the school or for parents’ to vent frustration about school matters. Careless or inconsiderate use of these sites can cause unnecessary distress to the individuals concerned, or have an adverse impact on the school and this is something the school seeks to avoid.

In some cases comments made on Social Networking Sites about an individual can be considered to be ‘defamatory’ and lead to the onset of legal action being taken against those who made them, therefore we feel it is important to remind users to bear this in mind before posting comments. Please also be aware that children below the age of 13 should not be using sites such as Facebook.

Photography in School
We regularly have performances in the hall and we know that many parents like to photograph or take videos of productions. Our Safeguarding Policy and Data Protection Policy asks that parents agree to:

- Use recording/photography equipment only in the school hall and only during performances
- Use recording/photography equipment on the identified date and time
- Respect the rights of other parents and will not attempt to make any recordings if full parental consent cannot be obtained
- Only record from your designated seat in the audience and not obstruct the view of others
- Avoid taking unnecessary close-ups of individual children (other than your own child)
- Avoid taking any photographs that could cause embarrassment or distress, and ensure that any photographs or videos taken are kept for your personal use only
- Not sell, publish, display any images in any form, including uploading of photos on to any social networking sites or websites
- Stop recording/taking photos on the request of any staff member
Please see our full Safeguarding Policy for further details.

**Visitors, Parent Volunteers & Mobile Phones**

Visitors, including other professions, contractors and parents/carers must not use mobile phones in the presence of children. Personal mobiles may be used in the designated areas at break times (staff room at St Michael's).

**Sun Sense**

We encourage parents and children to follow sensible sun protection guidelines.

**Sun Cream**

Children can bring their own sun cream to school (clearly labeled) which they can apply outside. Some children have allergies to sun cream which is why we ask that children apply their cream outside minimising the risk of spray lotion straying onto other children.

There are a number of 24 hour sun protection creams available and this could be an option for those children who may struggle to apply cream effectively. It could be applied in the morning at home and that would be sufficient to protect delicate skins until the end of the school day.

**Hats/Sun Glasses**

Please provide sun hats/caps and sunglasses on hot sunny days.

**Water**

Please can all children bring a water bottle (not glass) or sports bottle containing water every day. It is really important that children stay hydrated during the day especially when there are periods of particularly hot weather. Bottles of water can be obtained from the school office at currently 20p each or a larger refillable water bottle for £1.40. (Please be aware than prices may alter).

**Hand Washing**

Throughout your child’s primary school experience he/she is learning about the importance of cleanliness and the role proper hand washing plays in preventing the spread of infection.

“Hand washing is the single most important means of preventing the spread of infection,” according to the Centre for Disease Control and Prevention (CDC).
We remind the children to wash their hands with soap and water for 20 seconds before and after eating, after using the toilet, after sneezing, coughing and wiping their noses, after playing outside and/or with shared toys and when they come home from school.

You may be aware that there are a number of children with a variety of allergies in school. Most of these children may have a reaction after eating something they are allergic too. However, a few children may have a reaction after being touched by someone who has consumed that food. Hand washing, therefore, also plays an important role in preventing any allergic reactions from occurring.

Please encourage your child to put into practice the skills he/she is learning. Your example and your encouragement are both important and valued.

**ParentPay**

We operate a cash free system (ParentPay – www.parentpay.com) for snacks, dinner monies and trips. It is the responsibility of parents to maintain their child’s dinner and snack account by keeping it in credit at all times. Parents are also encouraged to use the ParentPay facility for paying for trips and for music tuition (if your child plays an instrument).

**Free School Meals**

For children from Reception up to the end of Year 2 they will receive a ‘Free School Meal’ (we call this Universal Free School Meals). Additionally your financial circumstances may allow you to formally register your child as being able to receive free school meals. If you do this, our school is awarded Government funding which allows us to withdraw the cost of some activities for your child such as music tuition and outdoor residential visits. Please speak to the school office or contact Free School Meals at Staffordshire County council on 01785 854990 or freeschoolmeals@staffordshire.gov.uk.

**Snacks**

Children can either bring a piece a fruit from home or purchase a school snack (details of snacks available to purchase can be obtained from the school office) and paid for using the ‘ParentPay’ system (no cash please!). If your ParentPay account carries a negative balance your child will receive a piece of fruit (free) rather than a snack from the kitchen. We inform parents on a weekly basis by text if their account has fallen into a negative balance as a reminder to credit it.

**Dinners**

Children who choose to have a school dinner will be provided with one even if their account has gone into a negative balance. However, if your child’s account falls into debt by more than £5 the kitchen will ensure your child receives dinner but it may be in the form of a sandwich, piece of fruit and a drink. In the event of this happening, parents will be informed on that day. It is really important that parents keep an eye on their child’s account to avoid disappointment with snacks and or hot lunches.
Trips

From time to time and as part of the school curriculum we arrange various trips and activities. For some of these events you will be asked to make a voluntary contribution to cover costs. Without your kind contributions it may be difficult to plan and run these. Information about each trip/activity will be sent out to you prior to the event. We prefer payment for trips to be made via ParentPay which is by far the most secure method and allows you to track/trace your payments.
